The Christian season Lent is upon us, and we are invited into a time of self-examination, seeking to walk more closely in the ways of Jesus.

Traditionally, the three themes of Lent are prayer, fasting, and almsgiving. These can take many forms, and Christians today are finding new ways to honor Lent in their communities and families.

For example, “almsgiving” is about giving to others in need. During Lent, in addition to our usual financial charitable giving, we might take note of the abundance in our lives, and give away some of our possessions, beyond our “leftovers.” In our closets are attractive, comfortable clothes we like and have a lot of life left in them; we can make those available to those who could use them. We might go through our bookshelves, with the same thought in mind, and look in our basements for spare furniture gathering dust.

“Prayer” is about our connection to God. During the 40 days of Lent we might make a daily habit of finding 5 things for which to give thanks to God – different things every day. “Fasting” is about doing without. During Lent, we might educate ourselves on how our consumption (food, fuel, etc.) affects the environment, and take steps to consume less and change our habits for good.

For our time together in worship, Rev. Dr. Amy Lignitz Harken has prepared a Lenten sermon series about abiding together in Christian fellowship. Based on the work of Kay Pranis, this series explores the important Biblical value of *koinonia*. Koinonia is an ancient Greek word that means loving fellowship, sharing, community, and participation. Through the lens of some of the most poignant moments in Jesus' ministry, this series will explore themes such as recognizing God's gifts in ourselves and others, learning to trust in abundance, and valuing our connections to the world around us.

Invite a friend, neighbor, co-worker, or someone you haven't seen in church for awhile to Church! This is the perfect time to re-connect!

Hospitality Committee

The Hospitality Committee has been very busy...well, not really. But we have been keeping track of Covid cases and positivity rates in hopes that someday soon we will be able to have Coffee Hour.

Since the cases have surged over the holidays, we changed our tactics from communicating with the Coffee Hour hosts each week to tell them we weren't having Coffee Hour that week to saying we would let the hosts know when it looked like we could have Coffee Hour again. With this particular strategy, no news is not good news.

We will get there! In the meantime, check out the floor in Fellowship Hall. It looks fabulous! Thank you to the Trustees for funding the professional stripping and waxing by ServPro!!!

Our Lenten Journey Begins with a Joint Ash Wednesday Service.

The First Congregational Church and St. Philip's Episcopal Church share the service on March 2nd bringing the community together.

Volunteers Needed

The Church has a need for two more bell ringers on Sundays.

We currently have only two, Brad Adler and Tom Kovarik.

We have normally have had four. If you are interested please let me know by calling me at 882-9804 or by email at badler1965@gmail.com

Church in Society Reminder

The mission of the Church in Society Committee is “bringing before the congregation issues of peace, justice and other social concerns” and one of those concerns is homelessness. Katie Junkert joined in an Organ Society meeting last year to explain her work with Amistad, an organization ministering to the homeless in Portland. This is an opportunity for “hands on” ministry for all of us by bringing necessary items to fill the box under the coat rack by Fellowship Hall. They need warm clothing, socks, chocolate, and would benefit from those boots or shoes you no longer wear, and Men’s T-shirts, jackets, hats, gloves/mittens, and warm clothing. Please think about helping Katie in her important work.

Sunday School Helper Needed

Now that Rev. Josh is gone, Rev. Oscar Wallace needs a new partner to help with our Youth Sunday School. The work is light – mostly helping rather than directing – but it’s best practice to have more than one person in the gatherings.

Anyone interested?

Pastoral Search Committee News

Since November, the Pastoral Search Committee has met regularly, and we are now ready to move into the next phase. In late Spring, we will be writing our church's profile to send to potential candidates for our next settled pastor. As part of the profile, we will seek to describe who we are, who our neighbors are, and who God is calling us to be as a community of faith. Hoping that our work reflects the community's thoughts as a whole, we are asking you to respond to the two emails you will receive this week.

First will include a questionnaire to be completed and submitted online. Second, we invite you to participate in one of four group discussions. Three will be by zoom and one in-person after worship. These discussions will be held later in March. The dates are: March 21 at 10 am, March 29 at 7 pm, March 31 at 7 pm, all by zoom. There will be one discussion held in person. It will be on March 20 after worship, meeting in the sanctuary. Those who get the chimes by USPS will also get the survey and sign up form by mail.

St. Philip's Church

Chowder Supper Saturday, March 12 4PM

Calling all chowder lovers! St. Philip's Church's haddock chowder supper take-away is once again scheduled for Saturday, March 12, with pick-up time from 4 p.m. to 5:30 p.m. For a donation of \$12 per meal, patrons receive a pint of haddock chowder, corn-bread, cole slaw, and blueberry cake to go at St. Philip's, 12 Hodge St., Wiscasset. Proceeds benefit the Feed Our Scholars (FOS) weekend backpacks of food for Wiscasset Elementary School students experiencing food insecurity, as well as funding the fourth year of providing beginning school supplies for those attending Wiscasset Elementary (or for home schoolers who would have attended WES) through the Set for Success program.

Call St. Philip's, [882-7184](tel:882-7184), leaving a name, number of meals ordered, and a return phone number for verification. Or message your reservations through [Facebook@WiscassetFeedOurScholars](https://www.facebook.com/WiscassetFeedOurScholars).

For planning purposes, FOS requests that reservations be made prior to Friday, March 11.

Help Needed to Make March 12 Chowder Supper

We partner with St. Philip's to support Feed Our Scholars and Set for Success. On-site help is needed on Friday afternoon for food prep and Saturday afternoon for packing food bags. We need to bake the corn bread and blueberry cake and hope to have five of each prepared by FCCW members and friends. Supplies for the chowder and cole slaw, such as potatoes and onions are needed. Please contact Beth Maxwell at emaxwell@myfairpoint.net or 882-6180 for further information and scheduling your time and help to make this a great fundraising success.
